# WELCOME NOTE

Celebrating confidence, compassion, and community spirit!

From meaningful campaigns to unforgettable events, Term 1 at ISC-Sharjah showcased the power of unity, spirit, and student leadership. As Term 1 comes to a close, our Student Life Organization (SLO) celebrates a season filled with teamwork, inspiration, and growth. From academic competitions to awareness campaigns, each event reflected the power of unity and student leadership.

## SLO HIGHLIGHTS

### SLOGA – Student Life Organization General Assembly

This term, our students proudly represented ISC-Sharjah at the Student Life Organization General Assembly (SLOGA), bringing together student leaders from across the SABIS® Network in the U.A.E. and the Gulf.

Our participants shared their experiences, exchanged ideas, and collaborated with peers from multiple schools in the region. Through workshops, discussions, and leadership activities, they learned new skills, strengthened their confidence, and gained valuable insights to bring back to our campus.

Their participation showcases the strong leadership culture at ISC-Sharjah and reinforces our commitment to empowering students to grow, inspire, and make a meaningful impact within our school community.

## SLO Job Fair

The SLO Job Fair at ISC-Sharjah was a dynamic and interactive event designed to introduce students to the wide range of leadership roles within the Student Life Organization. Instead of simply learning through presentations, students took part in engaging, hands-on activities led by prefects from every SLO department.

Taking part in these activities—from teamwork challenges to quick decision-making tasks and creative problem-solving stations—helped students explore different responsibilities, test their skills, and better understand what each role involves.

The event encouraged students to discover their strengths, step out of their comfort zones, and choose positions that match their passions and potential. The Job Fair was a powerful reminder that leadership begins with participation, curiosity, and the courage to try something new.

## EVENTS & ACTIVITIES

### University Fair & Visits

Our senior students took major steps toward their futures through the University Fair and University Visits. Representatives from top local and international universities shared valuable insights about programs, scholarships, and admissions. It was an empowering experience that helped students plan their academic journeys with confidence.

### Business Day Camp 2025

Our students spent an inspiring Saturday on October 11, 2025, at the Abu Dhabi School of Management, where they dove into the exciting world of business and entrepreneurship.

During the camp, participants engaged in a professional business simulation platform, challenging them to think creatively, work collaboratively, and make strategic decisions. Students developed and managed their own innovative coffee shop concepts, handling everything from planning and branding to budgeting and customer engagement.

The day culminated in confident presentations delivered to a panel of judges, showcasing each team's vision, reasoning, and entrepreneurial spirit. The experience was engaging, educational, and empowering; giving our students a real taste of what it means to innovate, compete, and lead in the business world.

## Affirmation Day: Confidence as a Shield

This year's Affirmation Day carried a powerful message: "Use self-confidence as a shield against bullying."

Through affirmations, interactive boards, and peer-led discussions, students explored the importance of self-worth and resilience. The day encouraged everyone to stand tall, stay kind, and use confidence as a tool to promote respect and inclusion.

## Bullying Prevention Campaign: See It, Own It, Change It

This term, ISC-Sharjah launched a powerful Bullying Prevention Campaign titled "See It, Own It, Change It." The campaign aimed to build awareness, responsibility, and action among students while promoting a safe, respectful, and supportive school environment.

Throughout the campaign, students learned how to identify bullying behaviors and understand their impact (**See It**), recognize their role in creating a positive atmosphere and take responsibility for their actions (**Own It**), and finally, practice constructive strategies to stand up, speak out, and support one another (**Change It**).

Through discussions, reflections, and interactive activities, the campaign empowered students to become proactive, confident upstanders, reinforcing the message that every member of the ISC-Sharjah community plays a vital role in preventing bullying and fostering kindness.

### Prep Rally: Seniors vs. Juniors

This term's Prep Rally brought the ultimate showdown: Seniors vs. Juniors! The competition was fierce, the energy unstoppable, and the cheers echoed across the campus. After a series of exciting challenges and performances, the Seniors proudly took home the victory! The event was a true celebration of school spirit, teamwork, and friendly rivalry that left everyone buzzing with pride.

## Petting Zoo Experience

This term, ISC-Sharjah brought joy and excitement to our youngest students by hosting a delightful Petting Zoo on campus. Lower School students had the chance to meet, pet, and interact with a variety of friendly animals in a safe and supervised environment.

The experience filled the campus with laughter, curiosity, and wide-eyed wonder as students learned about the animals, asked questions, and enjoyed hands-on moments that created unforgettable memories. The Petting Zoo was a heartwarming event that combined education, compassion, and fun; a true highlight of the term for our Lower School community.

## Breast Cancer & Beyond: Raising Awareness

The school turned shades of pink and purple as the SLO led heartfelt campaigns to raise awareness for breast cancer and other types of cancers.

Students and staff came together to honor survivors, spread awareness, and support ongoing research through posters, ribbons, and themed activities. The campaign reminded everyone that awareness, compassion, and early action save lives.

## Astronomy Club Trip

The Astronomy Club reached for the stars during their exciting trip to Mohammed Bin Rashid Space Centre! Students explored the wonders of space, deepened their understanding of the universe and all the U.A.E. missions. It was a truly out-of-this-world experience that sparked curiosity and imagination.

## COP30 Youth Dialogues

Our athletes continued to shine this year, achieving remarkable success across volleyball and athletics competitions. With dedication, discipline, and exceptional teamwork, our teams earned medals, first-place victories, and recognition at various events. Their accomplishments reflect the school's commitment to sportsmanship, perseverance, and excellence.

## STUDENT ACHIEVEMENTS

### RTA Dubai World Congress for Self-Driving Transport

The ISC-Sharjah E-Car Team, representing ISC-Sharjah in the 2026 EV Grand Prix (EVGP), marked an exceptional first year in 2025, earning seven awards. The team rapidly gained recognition through their involvement in major mobility and energy events.

They represented ISC-Sharjah at the RTA Dubai World Congress for Self-Driving Transport, engaging with global leaders in autonomous systems, sustainability, and smart mobility. Their participation at the Evolve Future Mobility Show 2025 at Expo Centre Sharjah further expanded their footprint in the U.A.E.'s green-mobility ecosystem.

During the summer, members completed internships with Global EEE and Al Nabooda Automobiles, gaining hands-on exposure to advanced automotive systems. The team also hosted the Certified EVGP STEM Educator Program, where their mentor, Mr. Davide Farina, and three students earned technical certifications.

They played an active role in ISC-Sharjah's Culture Day 2025 and welcomed high-ranking government visitors to their workshop, including H.E. Eng. Sharif Olama and H.E. Ahmad AlKaabi.

Together, these milestones establish the ISC-Sharjah E-Car Team as one of the U.A.E.'s most promising youth-led contributors to the nation's clean-energy and sustainable-mobility vision.

### CLOSING NOTE

### Looking Ahead with Pride and Purpose!

Term 1 was a celebration of creativity, leadership, and growth—a testament to what our students can achieve when they work together with passion and purpose. As we step into Term 2, we carry forward the same spirit of excellence, kindness, and determination that defines our SLO family.

With new goals on the horizon and even greater opportunities to shine, we're ready to make the next term our most inspiring one yet!
